

OUR PETROLEUM PRODUCTS ARE MADE FOR A SUSTAINABLE FUTURE

We proudly support our petroleum industry, whose products help the nation achieve a higher level of global leadership in accordance with the Qatar National Vision 2030

PROUD OF OUR QATARI PRODUCTS

Industry of Petroleum Products and their Derivatives

Number of Factories

28

Number of Products

64

Al Jaber & Makhlouf Asphalt Factory

- Liquid asphalt

Boom Asphalt Plant

- Liquid asphalt

Al Obaidly Asphalt Plant

- Liquid asphalt

Al Cat Asphalt Factory

- Liquid asphalt

Al Watani for Organic Solvents

- Toluene
- Xylenes solvents
- Lubricating oil for spark-ignition engines (Gasoline)
- Oil for hydraulic brakes
- Oil for hydraulic systems
- Solvents

Quality Asphalt Products Factory

- Liquid asphalt

Marbu Asphalt Plant

- Modified and treated asphalt

Al Jazeera Asphalt Factory

- Liquid asphalt

Qatar Lubricants Company (part 1) (QALCO)

- Lubricating oil for spark-ignition engines (Gasoline)
- Lubricating oil for compression-ignition engines (Diesel)
- Motor oil
- Lubricating oil for automatic transmission gears
- Cogs oil
- Cutting oils
- Cleaning oils
- Moulding release oils
- Oil for hydraulic brakes
- Brake oil
- Lubricating oil for automatic transformer systems
- Transformer oils
- White oils

Qatar Lubricants Company (part 2) (QALCO)

- Grease
- Anti-precipitation agent for oil & gas treatment
- Chemicals for removing sulphur from gas in gas & oil treatment
- Chemicals for emulsion breaker in oil treatment
- Chemicals for preventing rust in oil and gas treatment
- Chemicals for preventing corrosion in oil and gas treatment
- Chemicals for the textile industry
- Additives for petroleum products
- Lubricant additives

Qatar Lubricants Company (part 3) (QALCO)

- Crude oil treatment chemicals
- Anti corrosion chemicals for resistance and protection in oil treatment
- Chemicals for removing water from gas in oil and gas treatment
- Chemicals for removing residues from oil and gas treatment
- Chemicals for removing residues from gas in gas & oil treatment
- Plastic containers for lubricants oil

Gar Insulating Materials and Bitumen Factory

- Water proofing polyester roll covered with bitumin

Qatar Shell Company J. T. (Pearl GTL) Ltd.

- Fuel for jet-plane engine (Jp4)
- Kerosene and jet fuel
- Gas oil (Solar)
- Lubricating oil for spark-ignition engines (Gasoline)
- Natural gas, liquefied
- Natural gas, condensate
- Propane
- Butanes
- Paraffin wax
- Sulphur
- Ethane

Qatari Building Company (Asphalt Division)

- Liquid asphalt

Qatar Asphalt Company - Mixed Bitumen Factory

- Modified and treated asphalt

Al Boom Cruisers Factory

- Motor oil
- Bitumen

Marco Asphalt

- Liquid asphalt

Qatar Petroleum Refinery

- Naphtha
- Regular gasoline
- Super gasoline
- Fuel for jet-plane engine (Jp4)
- Diesel
- LFL oils for ships
- LPG
- Sulphur

Qatar Lubricants & Petrochemicals Co.

- Fuel oils for ships
- Base oils
- Recycled lubricant oil
- Pyrolysis gasoline

Al Tayseer Contracting Company - Asphalt Branch

- Gravel and asphalt

Clarinet Qatar

- Catalysts for conversion gas-to-liquids - Akitsorp
- Catalysts for conversion gas-to-liquids - Rivor-max

Al Darwish Engineering - Asphalt Branch

- Liquid asphalt

Oryx GTL

- Naphtha
- Diesel
- Nitrogen liquid
- Nitrogen gas
- Propene (Propylene)

Al Seef Co., Ltd.

- Diesel
- Linear alkyl benzene
- Heavy alkyl benzene
- Catalysts for conversion gas-to-liquids - Rivor-max

Midmac Tarmac Qatar Co. W.L.L.

- Liquid asphalt

Middle East Bitumen Modified

- Liquid asphalt
- Bitumen

Deserts Asphalt

- Liquid asphalt

Hazardous Waste Treatment Center

- Compressed iron scrap

Qatar Solar Technologies

- Poly silicon granules

Integrated Polymer Solutions

- Bitumen
